Twenty-five things to see, hear, watch, and read.

### Art

#### 3. See Sharon Horvath's *Cosmicomics*

*You'll be seeing things.*

Absorbed in the waves of retinal wonder and psychic delight coming from Horvath's superb paintings, I had one overriding thought: *She nailed it*. Her canvases picture a pathwork of abstract cosmic space, imaginary maps, tantric details, wispy brushwork, and color like Creamsicles and peach cobbles. —Jerry Saltz
